An act to amend Section 20280 of the Government Code, relating to public employees’ retirement.

LEGISLATIVE COUNSEL’S DIGEST

SB 769, as introduced, Moorlach. Public employees’ retirement.

The Public Employees’ Retirement Law (PERL) establishes the Public Employees’ Retirement System (PERS), which provides pension and other benefits to its members. Under PERL, membership in PERS is compulsory for specified public employees. Existing law provides that those compulsory membership provisions do not apply to certain persons who are expressly excluded from PERS.

This bill would make a nonsubstantive change to that provision.

The people of the State of California do enact as follows:

SECTION 1. Section 20280 of the Government Code is amended to read:

20280. This article shall not apply to persons expressly excluded from membership in this system by Article 2 (commencing with Section 20300) and Article 3 (commencing with Section 20320).
